Please note:

* Dimensions always taken from the same start point.

Heavy Strap (H) width x thickness: 28mm x 4mm. **Light Strap (L)** width x thickness: 27mm x 2mm

Light straps are available in 30mm x 2mm stainless steel (SS304), by ordering an LSSX strap.

Length dimensions are in 50mm increments. Bends and twists are in 25mm increments.
